3.1 **Overtaking is prohibited** during the competition. Overtaking is only allowed if a slower car ahead signals with a turn indicator and moves to the side. Otherwise, participants may be disqualified, and their time will not be counted. Detailed overtaking rules are specified in the Best Lap regulations.

3.2 If a driver is **more than three minutes late for the start** (including the warm-up lap), they lose the right to participate in that time trial.

3.3 **Failure to comply** with the organizers' or race officials' instructions will result in disqualification.

3.4 At all times during the event (from registration in the morning until the awards ceremony), all cars must **fully comply with the technical regulations**.

4. Each participant **is fully responsible for any damage** to themselves, their property, life, or health, as well as for any harm caused to third parties' property, life, or health.
5. Speeding, drifting, sudden acceleration, and other noise-generating activities are **strictly prohibited** in the Porsche Ring parking lot, access road, and surrounding areas (including near residential buildings). The speed limit on the venue and access road is **20 km/h**. Violating drivers will be disqualified!
6. Every participant is required to comply with **Porsche Ring's noise regulations**. Porsche Ring staff have the right to measure noise levels both in the parking area and on the track. Violators may be removed from the track!
